OPPORTUNITY KNOCKS

The VEX Robotics program, which includes the VEX IQ Challenge, the VEX Robotics Competition and VEX U, annually brings together more than 10,000 teams to compete in more 800 elementary, middle school, high school and college level robotics events. The Robotics Education & Competition Foundation manages the VEX IQ Challenge, the VEX Robotics Competition and VEX U, which culminate each season in the VEX Robotics World Championship to take place April 15–18, 2015, at the Kentucky Exposition Center in Louisville, KY. You can be a part this exciting annual event by joining a group of volunteers who assist in a variety of ways. For more information about the REC Foundation and these programs, visit www.RoboticsEducation.org.
